## MIDSUMMER PARTY

When: Saturday 23 June, 13.00

Where: Scandinavian Church, Praia do Flamengo 344, 9 andar

There will be food, songs, midsummer pole, games for the kids and a lot of joy!

Our excellent chef Jhonny needs to know approximately how many of us will show up before he starts to cook up some nice, traditional Scandinavian summer-foods.

Therefore, please let us know by this Saturday 16 June, if you and your family are interested so that we can get back to those who are with the prices.

Also don't forget to pay your membership for this year, if you have not already done so. In doubt, write to Frida as below.

To announce your interest and for any further questions, please e-mail

[frida@scandinavian-association.net](mailto:frida@scandinavian-association.net) or

[bjorn\\_marilia@hotmail.com](mailto:bjorn_marilia@hotmail.com)

Our warmest greetings and some apologies for the very short notice.
